

# SQUIRT 洗GAME

WET PAPER

# SQUIRT GAME

The *"No Rug, all Tug"* meme token!

SQUIRT is a rug-proof  
decentralized  BINANCE  
SMART CHAIN meme token  
that'll get you wet.

[CONTRACT](#)

## What's it all about?

SQUIRT🔥GAME .... Yeah you already figured out the link haven't you. People have been raging over Squid Game Token. Yet another bullshit rug-pull, where people got excited, only for a bunch of shady developers to go tugging on the pockets of innocent investors.

**SQUIRT🔥GAME is different.**

Our motto is *"No Rug, all Tug"*!

SQUIRT🔥GAME is a meme token built to run on the Binance Smart Chain making it quick, easy and cheap to transact.

Conceptualized by a group of crypto veterans, the SQUIRT team stems from places all over the world. All members share one common interest...Community.

Creating a safe, fun and transparent environment to grow this project is paramount.

So welcome to SQUIRT🔥GAME, where everyone gets wet. We hope you brought a change of clothes.

Rewards Holders &  
Secures Liquidity

**7%**

## Squirt Tax

Every buy, sell or send comes with a 7% tax

### Taxes go to Holders

3% of each transaction tax gets distributed proportionally to holders. Sit back and watch your wallet balance grow.

### Long Term Liquidity

2% goes to PancakeSwap liquidity pool where it will be locked for several years to keep SQUIRT liquidity healthy and safe.

### Extend Our Reach

A marketing treasury is a critical component to our success. 2% of transactional tax will be put towards aggressive marketing efforts and overall development.

## High Volatility

Cryptocurrencies come with incredible risks. High volatility, lack of liquidity and untrustworthy parties are all potential threats while navigating the space. Always invest carefully and never more than you are willing to lose.

## For Experienced Squirters

Always do your research. Watch crypto news, follow reputable traders and investors, etc. Find crypto information only from reliable and professional sources.

## Smart and Savvy

Do not trust strangers within the crypto space. Do not EVER give away private information about yourself or your private keys. Oh, and one more thing, **ADMINS NEVER DM YOU FIRST! :)**
